Summer Quarter Meeting July 21 '86

Attending: Billie Brown, Kathy Ames, Roxanne Austin, Lin O'denhal, Corrine Stiving, Joyce Hardigree, Diane Wiley, Gayle Christopher, Sharon Johnson, Fay Grayson, Caroline Wherry, Wayne Turnbull.

Presiding: Wayne Turnbull

The meeting was called to order by Ch. Turnbull. Minutes of the April & May meetings were read and approved. Wayne reported \$55,736.83 has been deposited in our building fund account. A pledge of \$3,515 has been made in memory of Mill Wells making a total of \$10,000 given in his name. The grand total of funds raised for the addition is over \$61,000. Any amount over \$60,000 will be used for equipment. Thus far \$11,990.00 has been paid out of the building fund. Wayne commended the board and the community for the effort involved in raising this money. At their last meeting the county commissioners commended the bd. for reaching their goal also.

Old business:

- 1) County map - Patli has been working with Linda Finely of the Chamber of Commerce. They are going forward with the maps. The Ch. has agreed to guarantee the lib. bd. \$400 a year if we go into this as a joint project. Gayle suggested that we request a percentage of the total sold rather than the fixed sum of \$400. The board agreed.
- 2) The date of our book sale to be held at the Regional Library is Thursday, Oct 9 '86, 9:00 am - 8:00 pm. We will then bring the books to the Oco. Co. Lib. to sell on Fall Festival Day (Oct. 11) Sharon will take care of publicity.

New business:

- 1) We have received from the ^{Oco. Co.} Elementary P.T.O. checks of \$300 for the Watkinsville Library & \$300 for the Bogart Library. The money

- given Walkinsville Lib., was put into the building fund.
- 2) We have in hand the official letter from the State Board of Education stating our building construction fund has been approved.
 - 3) The board reviewed the revised plan for the new addition. Kathy Ames explained the changes & additions.
 - 4) The board reviewed the budget for fiscal 1987. The Bd. of Commissioners & City of Walkinsville approved the request. We haven't heard from the City of Bogart. The Bd. of Education protested the yearly increases & are having some disagreement with the Bd. of Commissioners about funding joint projects such as the library. They agreed to the amount they funded last year deleting the requested increase. Thus, we are almost \$5,000 short of our total budget. Our options are ① Taking facts & figures to the Bd. of Education as a group & requesting this \$5,000. ② Asking the Bd. of Comm. for this additional amount ③ Asking both boards to resolve their problem so we may know how much support we can expect in the future. Due to this \$5,000 deficit, salaries must be frozen at last year's level until we receive additional funds. The motion was made by Corinne Steving & 2nd by Gayle Christy that we approve this revised budget. Motion carried. The board tentatively decided to attend the Sept. meeting of the Bd. of Edu. as a group to make this budget request. The Lib. Bd. officers will compile a presentation to make at this time.

Reports:

- ① Miss Austin told us that her request to retire Oct. 1 has been moved to Nov. 1.
- ② Lin O'derhal reported from the Bogart Library. Flowers have been planted in the boxes in front of the library. The reading club has been very successful. A request was made for a new sign to post library notices.

- ③ Belier Brown reported from Wathrisville library: workshops are being held every Monday; preschool on Wed. & films on Friday. Attendance is very good. There are 527 children enrolled in the reading club. Circulation has been 600-700 books per day.
- ④ Sayle Christopher reported the ^{Nell Wells} memorial painting was now in the library. The cost was \$150 for the painting & inscribed plaque. Dr. Ward has received a thank you note.
- ⑤ At the Regional meeting the Constitution & By-laws passed. The board of trustees for the regional library will have three members from each county to serve 2 year terms. Our board will need to elect these representatives. Our const. & by-laws must be in harmony with that of the region.
- Being no further business the meeting was adjourned.
